

**West Highland Steamer Club
40th Anniversary Calendar 2007**

The calendar for 2007 has been produced with the Club's 40th Anniversary in mind and, mainly, includes vessels in service during the Club's existence. In addition it was considered essential to include some recognition of two members who contributed to the photographic side of the club namely the Late Jim Aikman-Smith and the Late Hamish Stewart.

Other contributions by members are also included, but as usual, there is a theme to the calendar editor's choice and not all contributions can be included.

Your attention is drawn to the fact that eight of the pictures are in colour for the 40th Anniversary calendar, which marks thirty years since the first calendar was produced in 1977.

Among the vessels included in the calendar are LOCH DUNVEGAN, COLUMBA (1878), CLAYMORE (1955 and 1978) and LOCHNEVIS (1934 and 1980).

The front cover of the calendar features HEBRIDES (2001) arriving at Uig.

KING GEORGE V is pictured on the back cover approaching Tarbert, Loch Fyne, on the evening of 18th May 1972 whilst on charter to the Clyde River Steamer Club.
